

## **Dreams DO come true**

**We've all waited a long time for the GRM&HOF to have a place of it's own. A place where members (and the public) could see the history of Georgia radio, inducted Georgia radio professionals honored for their contributions, and examples of radios throughout the mediums life.**

**You can help keep the GRM&HOF open and growing. Become a **FRIEND** for pennies a day. Help us meet the monthly expenses necessary to maintain the museum. The cost includes rent, utilities, phone, internet, insurance, and marketing. There are no paid employees.**
